Dear Lilia:

Republic Services appreciates Mt. View Sanitary District's long-term partnership and believes extending this relationship provides the highest value to the District, its residents, and businesses. An extension to our current recycling, solid waste, and organics collection contract will allow Republic to make the necessary investment to continue to provide high-quality services to the District. We have enjoyed and valued our long-standing relationship with the District and would like to continue our relationship into the future.

Our current franchise agreement expires December 31, 2021 and per *1. Term. The term of this Agreement commences on the date of execution hereof by District and ends on the 31<sup>st</sup> day of December, 2021. Collector has the option to renew this Agreement for an additional 10 years, provided Collector give District written notice of its intention to exercise this option at least one hundred eighty (180) days prior to the expiration of the original term.* Please consider this our written notice to exercise our option to renew our agreement for an additional 10 years.

Thank you again for our long term relationship. Please contact Susan Hurl, Municipal Business Manager, (925) 671-5804, with any questions.

Sincerely,
