How to Dispose of Flocked Trees

Flocked trees cannot be composted. The material in flocking, makes a holiday tree unsuitable for composting. It must be treated as trash. They can be collected curbside for a fee of \$40 per tree. Pickups must be scheduled in advance; flocked trees may also be included in one of your free annual cleanups or free bulky item pickup. Call 925.685.4711. If cut to fit inside with lid closed, flocked trees may be placed in trash container.
